About us

#WeSupplyTheIsland

Our main concern is to supply the island with premium quality products, to satisfy and exceed the expectations of our customers. Quality products at competitive prices combined with excellent delivery services.

While supplying frozen products to restaurants, we take pride in the quality of our food and the variety that is available. We have a large range of products from all over the EU, so you will surely find something you like.

We believe in building relationships with our customers, suppliers and partners. We strive to exceed your expectations. That is why we offer a wide variety of frozen products suited to the needs of restaurants, entertainment units and catering professionals.

Yialtas Frozen Food serves catering professionals on a daily basis and is collaborating with the biggest companies of certified producers in the European Union, for higher quality. A great variety of frozen products is available such as potatoes, chicken, pork, sea-food, doners, burgers as well as vegetables and other, thus fully covering the needs of contemporary mass catering units.
